Please help us to be respectful to all of our patients and to our physicians. On the first page of this packet, you were given an appointment time and a registration time. For example,

- if your appointment is scheduled for 8 am, we expect you to arrive 15 minutes prior to your appointment time.
- if your appointment is scheduled for any other time, we expect you to arrive 30 minutes prior to your appointment time.

If you do not arrive at these intervals before the scheduled time, we may reschedule your appointment.

Please bring your insurance card and photo ID with you to every visit.

If your insurance requires a referral, please ensure that the referral is valid and that we have a copy of it prior to your visit. IT IS YOUR RESPONSIBILITY TO OBTAIN THE REFERRAL AND TO FOLLOW THROUGH TO ENSURE THAT WE HAVE IT. If you do not have your referral at the time of your scheduled visit, we may need to reschedule your appointment. Please inform us before your appointment of any changes in your insurance coverage.

Our building does NOT have an ATM machine. Please bring cash, check, or credit card (Visa, Master Card, or Discover—NOT American Express) for your co-pay and cash or credit card for parking (with our validation, the parking fee is only $3).

SCHEDULING, CANCELLATIONS, and NO-SHOWS
After your initial visit, we will give you a follow-up appointment card. If you need to reschedule that appointment, please book your follow-up appointments as soon as possible because we are often full 6–12 weeks in advance. We will call you 2–3 days prior to your appointment to remind you. Please let us know (on page 9 of this packet) the best way to reach you (home, work, cell, and pager).

Please bring a written list (on page 14 of this packet) of all medications that you currently take, including dose and frequency, or bring the medication bottles—this is important for new and follow-up patients.
If you have had any relevant testing (MRIs EEG, bloodwork, consultations/reports from other providers), please ensure that you bring the reports, actual images (either on film or CD), or both with you.

Do not assume that your primary care physician will send this information.

MESSAGES/PHONE CALLS
We attempt to return all phone calls within 24 hours. Sometimes, your call will be returned by another physician or by a physician assistant. If you are comfortable with e-mail, we would be happy to communicate with you by email. You can write to our physicians at bsiphysicians@lifebridgehealth.org.

Please do not wait until the last minute to contact your pharmacy to request a refill.
If your pharmacy advises you of problems with the refill, call 410-601-9515, press #3, and leave a complete message. We will resolve any issues within 2 business days.

BILLING QUESTIONS
Before your visit, we check to determine if your insurance is active and to obtain any authorizations that are required. However, it is your responsibility to obtain any referral that may be required by your insurance company and to determine your financial responsibility for your visit, including any amounts that will be charged against your deductible or co-insurance. If you require billing codes to determine your out-of-pocket expenses, we will be happy to provide them. We must receive the request for this information a minimum of 5 business days prior to your appointment.
Following your visit, you may receive two bills, one for physician services and one for hospital services.

For billing questions about your doctor’s bills, please call 410-469-4369.
