CLINICAL CHALLENGES in Diagnosis and Treatment of Eye Disease

GUEST FACULTY

David Hunter, M.D.
Professor and Vice Chair of Ophthalmology
Harvard Medical School
Ophthalmologist-in-Chief
Boston Children's Hospital
Boston, Massachusetts

Marlene Moster, M.D.
Professor of Ophthalmology
Jefferson Medical College
Wills Eye Hospital Glaucoma Service
Philadelphia, Pennsylvania

Friday, February 21, 2014
8:00 am - 5:00 pm
Sinai Hospital
Zamoiski Auditorium
Baltimore, Maryland
CLINICAL CHALLENGES in Diagnosis and Treatment of Eye Disease

Date, Time & Location
Date: Friday, February 21, 2014
Time: 8:00 am - 5:00 pm
Location: Sinai Hospital of Baltimore - Zamoiski Auditorium
2401 West Belvedere Avenue
Baltimore, Maryland 21215
Phone (410) 601-6200

Registration / Information
Registration Fee: $95  Residents and Fellows: No charge
Includes all program materials, continental breakfast, luncheon and refreshments. Advance registration is required. Please make checks payable to: The Krieger Eye Institute CME Program. Registration must be received no later than February 14, 2014.
Program Coordinator: Wendy Schnitzer (410) 601-5931
Free Parking (with validation) is available in the new Belvedere Avenue parking garage directly in front of Zamoiski Auditorium.

Accreditation
LifeBridge Health is accredited by MedChi, the Maryland State Medical Society, to sponsor continuing medical education for physicians.

LifeBridge Health designates this educational activity for a maximum of 7.0 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The Maryland Board of Optometry has designated this educational activity for 7.0 TPA credit hours (Approval code 2014-023 PS).

This program has been awarded 7.0 Group B JCAHPO (Joint Commission on Allied Health Personnel in Ophthalmology) continuing education credits (CECs)

Conference Objectives
Participants will be exposed to new strategies in the diagnosis and management of uveitis, glaucoma, cataracts, corneal disease, retinal pathology and pediatric disease. At the conclusion of the conference, the participants should be able to:
- Appreciate current concepts about and the diagnosis, causes and management of Dry Eye Syndrome
- Understand new treatments for retinal diseases including vitreous opacities and diabetic retinopathy
- Appreciate the latest development in the diagnosis and treatment of glaucoma
- Understand current management of strabismus
- Know what is right and what is wrong about antibiotics and antimicrobial resistance
- Learn about ultrasonic bone removal for orbital surgery
- Know about the ethical considerations in glaucoma care
- Understand various types of uveitis in the pediatric population
- Present and discuss complex glaucoma and pediatric cases
CLINICAL CHALLENGES in Diagnosis and Treatment of Eye Disease

Program

7:45 am  Continental Breakfast
8:15 am  Welcome ............................................................ Donald Abrams, MD
8:20 am  Gonioscopy and Angle Imaging .................................................. Salman Ali, MD
8:35 am  A Rare Case of Variable Diplopia ........................................... Michael Altman, MD
8:50 am  Pediatric Uveitis ............................................................... Parvathy Pillai, MD
9:05 am  Symptomatic Vitreous Opacities ............................................ David Ellenberg, MD
9:20 am  The Role of Vitreous Traction in Chronic Diabetic Macular Edema .... Phillip Scharper, MD
9:35 am  Ethical Considerations in Glaucoma Care .................................. Anthony Castelbuono, MD
9:50 am  REFRESHMENT BREAK
10:00 am  How OCT of the Macula Helps Us Diagnose and Treat Glaucoma: Another Piece of the Puzzle ................. Marlene Moster, MD
10:25 am  Glaucoma Surgery: Where We’ve Been, Where We Are and Where We Are Going ..................................................... Marlene Moster, MD

GLAUCOMA CASE PRESENTATIONS

11:00 am  Postoperative Hypotony with Ahmed Valve .................................. Justin Shaw, MD
11:20 am  Uncontrolled Glaucoma in a Monocular Aphakic Patient with Silicone Oil ....................................................... Corey Waldman, MD
11:40 am  Acute Bilateral Angle Closure Glaucoma ........................................ Joshua Zaffos, MD
12:00 noon LUNCH

1:00 pm  Management of Vertical Strabismus ............................................ David Hunter, MD
1:30 pm  Treatment of Accomodative Esotropia ........................................ David Hunter, MD

OCULAR MOTILITY CASE PRESENTATIONS

2:00 pm  Mobius Syndrome ......................................................... Vishwanath Srinagesh, MD
2:20 pm  High AC/A with Exotropia .................................................... Kenneth Levin, MD
2:40 pm  Nystagmus with Esotropia .................................................. Stephen Winkler, MD
3:00 pm  REFRESHMENT BREAK
3:15 pm  Dry Eye Masquerade Syndromes ........................................... Jonathan Etter, MD
3:30 pm  A Rapidly Expanding Orbital Mass ........................................ Theresa Kramer, MD, MBA
3:45 pm  Adaptation of Ultrasonic Bone Removal for Orbital and Lacrimal Surgery ......................................................... Marc Hirschbein, MD
4:00 pm  A Resident Clinic as a Model for Excellence in Patient Care and Residency Education .................................................. Laura Green, MD
4:15 pm  The Efficacy of Fortified Antibiotics Beyond One Month of Cold Storage ......................................................... Stephen Winkler, MD
4:30 pm  Development of an In Vivo Model for Using Stem Cells as a Therapeutic Modality in Anterior Ischemic Optic Neuropathy ........ Justin Shaw, MD
4:45 pm  Discussion
5:00 pm  Adjournment
Guest Faculty

David Hunter, M.D.
Professor and Vice Chair of Ophthalmology
Harvard Medical School
Ophthalmologist-in-Chief
Boston Children's Hospital
Boston, Massachusetts

Marlene Moster, M.D.
Professor of Ophthalmology
Jefferson Medical College
Wills Eye Hospital Glaucoma Service

Past Krieger Eye Institute Lecturers

1989 Morton Smith, M.D.
1990 Robert S. Weinberg, M.D.
1991 Francis L'Esperance, M.D.
1992 Jerry Shields, M.D.
1993 Robert C. Sergott, M.D.
1994 Henry J. Kaplan, M.D.
1995 Peter R. Laibson, M.D.
1995 Michael A. Kass, M.D.
1996 Arnall Patz, M.D.
1997 Peter McDonnell, M.D.
1997 Kenneth Wright, M.D.
1998 William Tasman, M.D.

1998 Robert Osher, M.D.
1999 Richard K. Parrish II, M.D.
1999 Mark Tso, M.D.
2000 Harry Quigley, M.D.
2001 Allan E. Koller, M.D.
2002 William E. Smiddy, M.D.
2003 Robert D. Fechtner, M.D.
2003 Samuel Masket, M.D.
2004 Robert Osher, M.D.
2004 Paul Palmberg, M.D.
2006 Alan L. Robin, M.D.
2006 Richard Tipperman, M.D.

2007 Michael E. Snyder, M.D.
2007 Mark B. Sherwood, M.D.
2008 Michael J. Cooney, M.D.
2008 Byron S. Ladd, M.D.
2010 Simmons Lessel, M.D.
2010 David Greenfield, M.D.
2011 Robert Goldberg, M.D.
2011 Bonnie An Henderson, M.D.
2012 Debra A. Goldstein, M.D.
2013 Deborah Friedman, M.D.
2013 Stephen Jae Kim, M.D.

Krieger Eye Institute Faculty

Donald A. Abrams, M.D.
Chairman and Director, The Krieger Eye Institute
Assistant Professor of Ophthalmology,
The Johns Hopkins University

Salman Ali, M.D.
Comprehensive Ophthalmology
Glaucoma and Cataract Surgery

Michael E. Altman, M.D.
Director, Pediatric Ophthalmology
Director, Neuro-Ophthalmology
Assistant Professor of Ophthalmology
The Johns Hopkins University

Kurt Bennett, O.D.
General and Pediatric Optometry
Cornea and Contact Lenses
Low Vision Rehabilitation

Joseph W. Berkow, M.D.
Retina Vascular Service
Assistant Professor of Ophthalmology
The Johns Hopkins University

Anthony C. Castelbuono, M.D.
Comprehensive Ophthalmology
Glaucoma and Cataract Surgery
Associate Residency Program Director
Assistant Professor of Ophthalmology
The Johns Hopkins University

David Ellenberg, M.D.
Fellow, Vitreoretinal Surgery

Jonathan R. Etter, M.D.
Comprehensive Ophthalmology
Cornea, External Disease, Uveitis and Refractive Surgery

Laura K. Green, M.D.
Comprehensive Ophthalmology
Cornea, External Disease and Refractive Surgery
Residency Program Director
Assistant Professor of Ophthalmology
The Johns Hopkins University

Marc J. Hirschbein, M.D.
Oculoplastic and Reconstructive Surgery
Instructor in Ophthalmology
The Johns Hopkins University

James W. Karesh, M.D.
Chairman Emeritus, The Krieger Eye Institute
Associate Professor of Ophthalmology
The Johns Hopkins University
Assistant Professor of Ophthalmology
The University of Maryland

Theresa Kramer, M.D.
Comprehensive Ophthalmology
Ophthalmic Pathology

Kenneth Levin, M.D.
Resident, Ophthalmology

Parvathy Pillai, M.D.
Comprehensive Ophthalmology, Uveitis

Irvin P. Pollack, M.D.
Chairman Emeritus, The Krieger Eye Institute
Professor Emeritus of Ophthalmology
The Johns Hopkins University

Philip H. Scharper, Jr., M.D.
Vitreoretinal Service

Justin Shaw, M.D.
Resident, Ophthalmology

Vishwanath Srinagesh, M.D.
Resident, Ophthalmology

Ana Carolina Victoria, M.D.
Fellow, Ophthalmic Plastic and Reconstructive Surgery

Corey Waldman, M.D.
Resident, Ophthalmology

Stephen Winkler, M.D.
Resident, Ophthalmology

Joshua Zaffos, M.D.
Resident, Ophthalmology
