The Hackerman-Patz House

For patients and their families traveling to Sinai Hospital for appointments, rehabilitation, or procedures that require overnight or lengthy visits, the Hackerman-Patz House is a comfortable and convenient place to stay—a home away from home. Designed with the patient and family in mind, guest suites resemble deluxe hotel rooms. Each room is equipped with beds, a sitting area, private bathroom, microwave, refrigerator, coffee maker, telephone, wireless Internet, DVD player, television, and a safe. The Hackerman-Patz House is located on the campus of Sinai Hospital. Free parking is provided at the house.
