# Carroll Hospital

Carroll Hospital is a nonprofit, acute care facility offering the latest in medical technology, experienced medical professionals in a variety of specialties, and a continuum of programs and services to meet the needs of the community. Over the past five decades, Carroll Hospital has evolved significantly from a community hospital into a true medical center on par with larger urban hospitals. However, the hospital is still a tight-knit community where doctors, nurses and staff members treat their friends, neighbors and families.
