

COVID Education Attestation for Clinical Rotations

Please review the following links related to COVID19 education before coming to Northwest Hospital (NW) for your clinical rotation. As a student, you will not be able to care for patients who have tested positive for COVID19 or Patients Under Investigation (PUI) for COVID19. Below are some of the key details Clinical Instructors and Nursing Students should know before coming to Northwest Hospital for clinical rotations:

1. Please review listed topics on the LifeBridge Health COVID19 education link:
<http://www.lifebridgehealth.org/Coronavirus/Coronavirus.aspx>
 - Visitor Policy Update
 - What you can do
 - If you are Ill
2. Please review and watch the listed topics on the LifeBridge Health COVID19 Clinical Resources link:
<http://www.lifebridgehealth.org/covid-19/COVID-19ClinicalResources.aspx>
 - Daily PPE Update
 - Code-C Guidelines
 - N95 and Gown Donning and Doffing – Video
3. Hand Hygiene is Key – please complete the free course below from the CDC
<https://www.cdc.gov/handhygiene/training/interactiveEducation/>

Before your first clinical shift

1. You will also need to go to the badging office to get your student badge. Please call the badging office at 410-521- 5217 prior to the day you plan to arrive to obtain your badge.

While in Hospital

1. Upon entrance to the hospital, you will be screened. If you are ill, you will not be able to enter the building.
2. You will be expected to follow the PPE guideline as listed above while you are in hospital.
3. You will be responsible to store your PPE and bring with you during your clinical experience according to PPE guidelines.
4. Please maintain social distancing while moving throughout hospital and follow posted directions.
5. As a student, you will need to park in the K-lot or L-lot located across the street from the main hospital.

If you have COVID Exposure or Symptoms During Your Rotation

1. Call COVID Hotline at 410-601-2222 to report your symptoms.
2. You will be considered an employee of Northwest hospital when calling Hotline and for COVID testing. Please give them your 1000# that is on your Northwest Badge.
3. If you have symptoms, please remain home until you hear from Occupational Health. If you have no symptoms and just want to be tested, you may return to your clinical experience pending results.
4. Someone from Occupational Health will follow up with you about your results and any concerns.

CARE BRAVELY

COVID Education Attestation
for Clinical Rotations

By signing below, I have reviewed the listed information and completed the courses as requested above. I will adhere to the recommendations listed above during my clinical rotation at Northwest Hospital.

Signature: _____ Date _____

Print Name: _____

Please return signed document to your Clinical Coordinator before clinical rotation
