

Coping with Worry and Stress - Wellness Tips

Welcome to your daily dose of wellness!

Today's Message: MUSIC

Many of us are staying home these days (“social distancing”) to protect ourselves and our family during the pandemic. This enforced hibernation can have negative effects like depression, irritability, and weight gain. Fortunately, there are plenty of ways to counter these tendencies, especially when we access the energy and power in our *bodies, hearts, head, and spirit.*

Today's topic, “Music,” offers you some fun, simple tips to access music sites and activities. Check out these links!
