

Sponsors

Carroll Hospital Foundation's Pink Fling presented by Advanced Radiology spreads the message that early detection saves lives while supporting the Center for Breast Health at Carroll Hospital and honoring our community's survivors.

For more than 20 years, Pink Fling's sponsors and attendees have played an integral role in ensuring quality breast care and survivorship programs in our community. This year, at Pink Fling in the Secret Garden, we are welcoming the entire community to a SECRET location revealed 48 hours prior to the event, for an afternoon garden tea party.

Your sponsorship helps take the mystery out of breast cancer through early detection education, while strengthening the programs and services available at the Center for Breast Health at Carroll Hospital—including advanced treatment technologies, survivorship programs and support groups.
