The results will post as "unauthorized" until co-signed by the Instructor or staff.

Results review-Posts completed documentation even before co-sign is complete. Most documentation posts in Vitals, Assessments and Treatments tabs.

Co-Sign occurs from IVIEW! Select the  icon at the top

The screenshot shows the IVIEW interface for patient 'Authenticate - LBHTEST, ESTHER - NW00030047157'. A table of results is displayed with columns for Item, Result, Date/Time, Provider, and Authenticate. The 'Authenticate' column contains checkboxes, some of which are checked. A red 'X' icon is visible in the top right corner of the interface. At the bottom right, there are buttons for 'Modify', 'Sign', and 'Cancel'. The 'Sign' button is highlighted with a blue box.

Item	Result	Date/Time	Provider	Authenticate
