

# INTERNET SAFETY

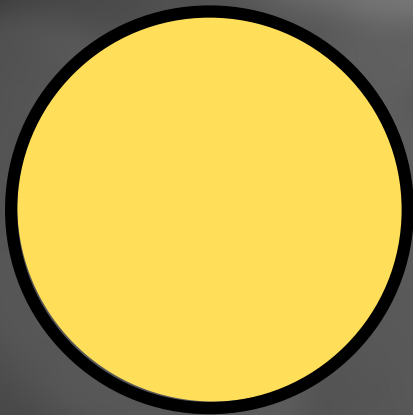

ANTI-TRAFFICKING AND EXPLOITATION TIPS

## DO NOT

- Have identifying information in view of your webcam (school logo, sports jerseys, family photos)
- Give out personal information to people you do not know
- Use the internet or social media to share inappropriate information (violence, hate speech, revealing images)

## BE CAUTIOUS OF

- Anyone you do not know asking for information online
- Links you do not recognize
- Posting online without proofreading your words or double-checking your photographs

## REMEMBER TO

- Always be kind and careful
- Tell a trusted adult about anything that might be concerning or seem strange
- Speak up if a friend or classmate is doing something dangerous online
