- B. You will receive two bills for your visit:

 - b. A hospital outpatient department facility fee bill from Northwest Hospital.

Expected fee:

The Northwest Hospital Center hospital outpatient department facility fee is likely to range from \$300.00 to \$500.00.

The hospital outpatient department facility fee could be higher if you require services during your appointment that we cannot reasonably predict today.

If you need financial help with the hospital outpatient facility fee bill, please contact Customer Service at (800) 788-6995 or download the application at LifeBridgeHealth.org under QUICK LINKS.

Receiving services in the hospital outpatient department may result in greater financial liability than receiving the services at a location where a hospital outpatient facility fee may not be charged.

No Hospital Outpatient Facility Fee Location:

You will not be charged an outpatient facility fee if you can see your provider at another location that does not charge a hospital outpatient facility fee.

Contact your health insurance company to see if your provider is a participating provider and in-network at another location.
