

Donor Opportunities Abound...

You can help! Support the Auxiliary year round by becoming a member of our Auxiliary. We have many ways you can support us. You can purchase special-occasion contribution cards, shop at our various in-house sales, attend a lovely bi-annual fundraiser night of entertainment and auction or purchase a plaque on our Sensory Garden Donor Wall, just to name a few. Your contributions support everything we do!

Endless Possibilities...

Over the years, we have provided financial support to the Levindale Recreational Therapy department which provides many activities and equipment for the residents. We have provided funds for the Sensory Garden, purchased a retractable screen and audio/visual technology for the Town Center, large TV's for the households, iPads for the residents and live streaming channels for everyone to enjoy.

Join Us...

When it comes down to what's important, it's family, community and future.

Your participation in making the lives of our elders better is vital. Together we make a big difference.

*Enhancing
the lives of
our residents*

A Beautiful Beginning...

Since 1899, the Levindale Auxiliary has been a vital service organization, dedicated to bringing joy and inspiration to the elderly and disabled at Levindale Hebrew Geriatric Center and Hospital.

The Beat Goes On...

Today's Auxiliary addresses the emotional and spiritual needs of our residents that go hand-in-hand with the top-notch medical care provided by our skilled doctors and nurses.

Through the generosity of our members and Auxiliary sponsored events, funding is provided for essential activities and services to engage and stimulate residents and enable them to live uplifting lives with dignity and pride.

Among the wide array of events that the Levindale Auxiliary hosts are celebrations in conjunction with Jewish holidays, Shabbat dinners, snowball socials, our own unique Face-to-Face multi-generational event and bartending happy hour in the Town Center.

Flower Power Blooms...

In 2012, we dedicated the Levindale Auxiliary Sensory Garden which provides a tranquil setting for residents, their families and staff. In addition, we proudly unveiled the

stunning Levindale

Auxiliary Donor Wall to recognize the personal lifecycles of our members and supporters. The artwork, created by local artist David Paul Bacharach, extends the beauty of our garden to the indoors.

Who We Are...

The Levindale Auxiliary is welcoming and inclusive. Some of our members work full time; others are full-time moms and dads; still others are retired. But what we all have in common, no matter how much time we have to share, is our desire to help those who need us most. To keep up with all of our happenings, we have our website, levindaleauxiliary.org and our eLight online newsletter in addition to traditional methods of communication.

The bottom line: We have fun! We work together and the residents of Levindale benefit!
