

Visit Instructions for Research Participants

STUDY LOCATION

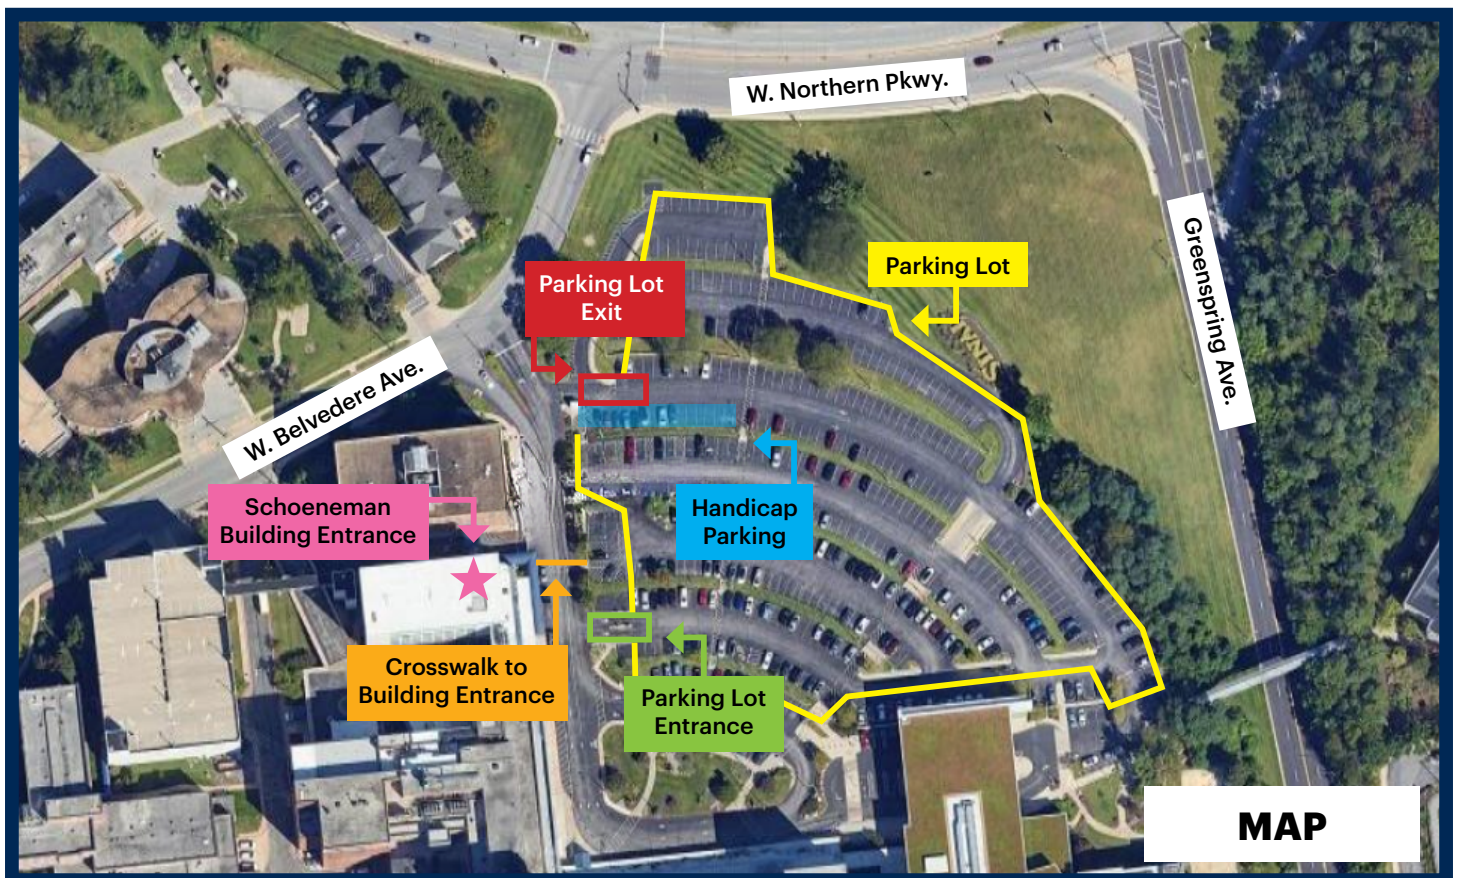

Sinai Hospital

2401 West Belvedere Ave., Baltimore, MD 21215

- The Pediatric Motor Development Lab is housed within the Schoeneman Building (details below) and is part of the [ABBEL Research Division](#) within the Rehabilitation Institute at Sinai.

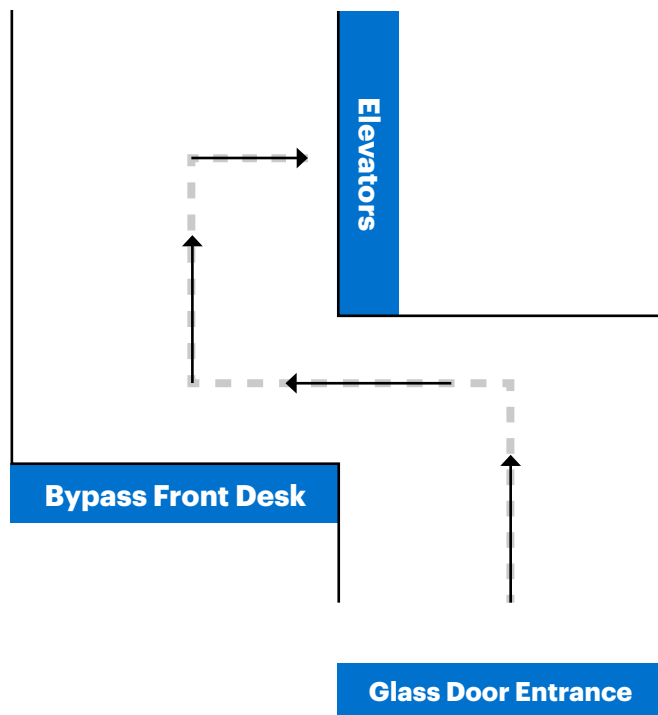

PARKING

- On the day of your visit, park in the surface lot located at the intersection of W. Belvedere Ave. and W. Northern Pkwy.
- These hyperlinks provide the driving instructions to the parking lot using phone apps:
 - [Google maps](#) (link works with iPhones and Androids)
 - [Apple maps](#) (link works with iPhones)
 - [Waze](#) (link works with iPhones and Androids; copy link and choose “open in Waze” option)
- Upon arrival, proceed to the parking lot entrance (see [Map](#)).
 - At the automatic barrier arm gate (see Photo A on next page), push the button to obtain a ticket and enter the parking lot.
 - You may park in any of the unmarked spots within the parking lot (see [Map](#)).
 - Bring the parking ticket with you.

LOCATING THE PEDIATRIC MOTOR DEVELOPMENT LAB

- After you park, take the crosswalk toward the Schoeneman Building (see [Map](#)).
- You will see a blue awning/umbrella above the entrance (see Photo B).
- Enter the automatic glass doors of the Schoeneman Building (see [Map](#), Photo C).
- Walk past the check-in desk on your left until you find the elevator (see sketch to the right).
- Take the elevator to the first floor.
- Once you reach the first floor, exit the elevator and take a seat in the waiting area (see Photo D).
- Upon arrival, text or call **Dr. Jordan Wickstrom** (cell: 443-826-6798; work: 410-601-2525).
- A staff member will arrive shortly to escort you to the Pediatric Motor Development Lab.

VIDEO WALKTHROUGH
