SPECIAL / RESTRICTED DIETS

Not all menu selections are appropriate for all diets. If your doctor has placed you on a special or restricted diet, we will assist you with your meal selections.

Certain tests require a period of fasting prior to the test. If this pertains to you, please plan accordingly.

HOW TO PLACE YOUR MEAL ORDER

The host / hostess assigned to your unit will assist you with your menu selections. They will take your meal order prior to the start of meal service. Your meals will be delivered based on your unit's scheduled delivery time.

Family members may also order for patients from outside the hospital by calling (410) 601-5725 or inside the hospital by dialing 2FOOD (23663).

The Department of Food and Nutrition is here to provide you with outstanding guest service. Please let us know how we can help exceed all of your dining service needs.

MENU INFORMATION

Foods containing carbohydrates have assigned values, which are listed in parentheses.
1 g = 1 gram of carbohydrates

CONTACT US

Your feedback is essential to our success. During your stay, please direct any and all comments you may have to:

Patient Services Manager - ext. 85601
